Errata for ‘Using MPI, 3rd edition’

May 18, 2023

p 97 In the middle of the page, change
and the parallel efficiency is defined is speedup/p
into
and the parallel efficiency is defined as speedup/p

Thanks to Daniel U. Thibault.

p 98 In the caption for Figure 4.18, change:
Predicted time for a 1-D (dashed) and 3-D (solid) decompo-
sition
into:
Predicted time for a 1-D (solid) and 3-D (dashed) decompo-
sition
(The legend on the figure itself is correct.)

Thanks to Daniel U. Thibault.

p 101 ...
Because to moving data from
should be
Because moving data from

Thanks to Daniel U. Thibault.

p 295 Reference entry 98 should read
[98] Osamu Tatebe, Yuetsu Kodama, Satoshi Sekiguchi, and
Yoshinori Yamaguchi.

(and it would be moved to a different location).
